The Honorable Lauren Arthur
State Senator
State Capitol Building
Jefferson City, MO 65101

Dear Senator Arthur:

Welcome to the 100th Missouri General Assembly First Regular Session!

The Missouri Academy of Nutrition and Dietetics (MOAND) is:

- The largest group of nutrition professionals (Registered/Licensed Dietitians) in the State with over 1300 members;
- An affiliate of the Academy of Nutrition and Dietetics – an organization of over 80,000 members.

We are committed to:

- Maintaining the highest professional standards;
- Optimizing the health of Missourians through food and nutrition;
- Promoting sound nutrition information to the public;
- Monitoring and responding to issues that have food, nutrition, and health

implications.

For more information, please visit the Missouri Academy website at www.eatrightmissouri.org.

Our organization is ready and willing to lend our expertise relating to nutrition issues (obesity, school food service, health care reform, eating disorders, diabetes, etc.) by:

- Assisting you with constituency questions and issues;
- Offering testimony for legislation;
- Serving on committees, boards, or taskforces throughout the State.

Your Registered/Licensed Dietitians plan to be in the State Capitol Building on:

WEDNESDAY, APRIL 3, 2019

If you would like to meet with an RD on this date, please contact Beth Piper at cepiper@accessus.net or Brenda Roling at broling@swllc.us.com.

Please don't hesitate to contact one of your Missouri Registered/Licensed Dietitians - the nutrition professionals – anytime - for issues related to improving the nutritional well-being of Missourians.

Wishing you a successful and healthy Legislative Session!

Sincerely,
Rebecca Collier, MOAND President
